

MANIFESTO FOR ENVIRONMENTAL MANAGEMENT

On the pathway to achieving green and sustainable growth through low-carbon and eco-friendly management that brings clean and hopeful futures for the next generation, all of us here at HD Korea Shipbuilding & Offshore Engineering shall pledge to take our **Seven Commitments of Environmental Management** into real practices as follows:

1. We will achieve carbon neutrality to address climate change.
2. We will drive eco-friendly technologies for ships forward to low carbon green growth.
3. We will comply with domestic and international environmental laws and regulations.
4. We will strengthen our key pillars of environmental management based on ISO 14001.
5. We will take the lead in efficient use of resources through saving and recycling.
6. We will minimize pollutants in the production process.
7. We will make transparent disclosure of environmental information and establish good corporate culture for environmental management.
